

Dear Community Business,

As Resurrection Lutheran School prepares to celebrate 25 years of Christ-centered education, we are excited to introduce a new business sponsorship program designed to strengthen partnerships with our local community while investing in the lives of our students.

Founded in 2002, Resurrection Lutheran School was established to serve the greater Cary community by providing a high-quality, faith-based education rooted in academic excellence, joyful learning, and spiritual growth. Steadfast in our mission, RLS has grown over the past two decades into a thriving Junior Kindergarten through 8th grade school community with record enrollment and increasing demand from families seeking the RLS experience.

This anniversary year provides a special opportunity for local businesses to connect with and gain brand exposure among our close-knit community of parents, grandparents, alumni families, staff, church members, and supporters. Through year-round visibility at school events, digital communications, social media, publications, and campus promotions, our sponsorship program offers businesses a unique way to support Christian education while strengthening their presence in the community. United by a shared purpose, business sponsorships will play an important role in supporting our Annual Fund and sustaining the next chapter of growth at RLS. We invite you to learn more about our mission and extraordinary school by visiting www.rlscary.org/impact.

Four custom packages are available, each offering meaningful and repeated visibility throughout the school year. Please refer to the attached summary or visit www.rlscary.org/sponsors to choose the sponsor level that best aligns with your goals. Resurrection Lutheran School operates as a 501(c)(3) nonprofit organization. Sponsorship payments may be tax-deductible to the extent permitted by law. Sponsors should consult their tax advisor regarding the deductibility of their contribution.

Please note that while 2026-2027 sponsorship opportunities remain open through September 1st, sponsors who commit *by August 7th will maximize their sponsorship and receive a bonus promotion at our highly attended Parent Orientation and Meet & Greet events held in mid-August.*

Thank you for considering an investment in Resurrection Lutheran School during this 25th anniversary year. We would be honored to partner with you in celebrating our past and building our future.

With gratitude,

Jeanette Gallagher
